### Our/Your Decision (Results)

**The results are sent by first class post on Wednesday 8 February 2012.** We are unable to give results before this date. If an offer of a place is made it is accompanied by various forms. Completion and signature of the Enrolment Form indicates that you wish to accept the place offered and that you understand the terms and conditions of acceptance. **The deadline date for acceptance is Wednesday 29 February 2012.** Any places not accepted by this date are then made available to late entry candidates. IF the School is able to award any financial assistance, details will be included with the Offer Letter.

### Events After Enrolment

We hold Junior, Senior and Sixth Form New Parent & Pupil Information Evenings during the Summer Term prior to entry. Information on uniform, term dates, tutor groups, houses etc., is provided and it is an opportunity to discuss any last minute queries that you may have. Students will also meet their form tutors at these events.

Year 7 and Sixth Form students will attend a Move Up Date in late June/early July. Senior and Sixth Form students are provided with an induction day just before school resumes in September. Junior School pupils have their induction on the first day of term.
