Our/Your Decision (Results)

The results are sent by first class post on Wednesday 7 February 2018. We are unable to give results before this date. If an offer of a place is made it is accompanied by various forms. Completion and signature of the Acceptance Form indicates that you wish to accept the place offered and that you understand the Terms and Conditions of Acceptance (which can be found at www.bedmod.co.uk).

The deadline date for acceptance is Monday 05 March 2018. Any places not accepted by this date may then be made available to late entry candidates. If the School is able to offer a bursary award, the financial assistance details will be included with the offer letter.

Events after Enrolment

We hold Junior, Senior and Sixth Form New Parent and student Information Evenings during the Summer Term prior to entry in the September. Information on uniform, term dates, tutor groups and so on, is provided and it is an opportunity to discuss any last minute queries that you may have. Students will also meet their form tutors or Head of Year at these events.

Junior School students, Year 7 and Sixth Form students will attend a Move Up Day in late June/early July. Years 7, 8, 9 and Sixth Form students have an induction day just before school resumes in September.

Entrance Assessments

Entrance Assessments into the Junior School (Years 3 - 6)

Ages for entry are taken as of 31 August, e.g. candidates for Year 3 entry must be SEVEN but not EIGHT by 31 August of the year of entry into the School. The days of the assessments are deliberately kept as informal as possible by the School. We realise that it can be a very unnerving experience for candidates and so we do our best to put them at ease throughout the day.

Bedford Modern School allocates children into different Year Groups using the following terminology:

	Junior School				Senior School				
BMS Year	3	4	5	6	7	8	9	10	12
Age	7*	8	9	10	11	12	13	14	16

*at the point of entry

Admissions Procedure

For all age groups a completed Registration Form together with the registration fee and a copy of a birth certificate should be sent to the Admissions Manager. We will then request a reference from the candidate's previous school asking for general details on the student's career there. Parents should always notify the previous school of their intentions to move their child. Candidates requiring Access Arrangements, such as extra time or a laptop, in the entrance assessments must provide a report from a Specialist Teacher, Educational Psychologist or Consultant along with their registration form for this to be considered.

Entrance Assessments into the Junior School (Years 3 - 6)

The Junior School Assessment is split into two sessions:

Session 1 - a week day morning or afternoon in January

A series of computerised assessments, interspersed with breaks and refreshments. The computerised assessments are designed to test:

- A child's developed ability (non-verbal reasoning)
- Reading ability
- Abilities in general mathematics and mental arithmetic
- Spelling (Year 5 and 6 only).

Session 2 - a Saturday morning in January

- **Reading** - a typed passage will be provided by the school for the children to read. Questions will be asked to demonstrate understanding
- **Creative Writing** - a stimulus will be discussed and explored by candidates who will then be given approximately 15 minutes to plan their work and approximately half an hour to produce their work
- **Fun Activities** - children will be put into groups with children of the same age to join in a series of activities. Although they are designed to help them make new friends and feel more comfortable with the surroundings, they will be observed throughout the process for behaviour and co-operation skills.

Entrance Assessments into the Senior School (Years 7 - 10)

Year 7 candidates will complete five elements as part of the assessment

Entrance Assessments into the Sixth Form (Year 12)

Applicants are strongly advised to attend a Taster Day which take place in November. To book onto a Taster Day, please call the Admissions Manager on 01234 332690. Once a student is registered, they will be invited to visit the School for an interview in January of the year of entry. They will have an interview with two members of Sixth Form staff as well as having the opportunity to meet current Sixth Form students who will talk to them about their experiences of the School. Whilst these interviews are informal, students may be assessed on their knowledge of their chosen subjects. Candidates may be asked to return for a subsequent interview with a Head of Subject, should it be deemed necessary. Candidates will also be required to produce a piece of written work, which they must submit prior to interview and are expected to gain a minimum of Grade B (6 on new 9 - 1 GCSEs) in the subjects they wish to study at A Level. Their ALIS* score must also be 6.0 or higher. They also require a minimum of a Grade C (5 on new 9 - 1 GCSE) in both Maths and in English.

The ALIS score is a total of the GCSE grades (with traditional GCSE grades being valued as A=8, A=7, B=6 and so on) divided by the number of subjects taken.

Bursaries

A Bursary is an academically competitive means tested award offering financial contribution towards school fees. Bursaries are only available to those who are successful in our entry assessments and assistance is not guaranteed if a place is offered. Bursaries are given at the discretion of the Awards Committee and on the pupil's performance in the Entrance Assessments. The School has a limited fund and all assistance is awarded appropriate to the candidate's ability. We attempt to help as many families as possible, but it is unlikely that more than two or three full awards will be made each year. The value depends on parental income and the funds available.

Early registration is recommended for bursary applications as the Bursary assessment application form will be sent once we receive the completed registration form and registration fee. The bursary application form will need to be completed and returned to the Harpur Trust before 01 December 2017. Bursary forms will not be accepted after the deadline.
