Date

Candidates will be invited for interview on Saturday 18 January 2020.

Please be aware that the options deadline is 14 February 2020. The School will not guarantee any option combinations until after this date. In addition, options received or changed after the 14 February 2020 may not be available.

A limited number of Sixth Form scholarships, which represent a percentage of annual school fees, are available to students who excel in ADIT, Performance Arts, Music or Sport. If you wish to apply please tick the appropriate box below. Further details will follow and you may be invited into School for an additional subject-specific assessment.

The School gives no guarantee at this stage that all possible subject combinations will, in fact, be available. Consequently, students are urged to include a 'fifth option' which they would be happy to take if their first four preferences cannot be accommodated, especially if they are undecided between subjects and/or if they do not obtain results that enable them to study one of their original four choices (no one will be allocated to a 'fifth choice' without **consultation**).

Students interested in 'English' will need to express a preference for **Literature** or the combined **Language/Literature** course. Students cannot choose both courses.

Students interested in 'Design Technology' will need to express a preference for the **Product Design** or **Design Engineering** course. Students cannot choose both courses.
