Nearly New Shop Uniform Labels

- The BMSPA Nearly New Shop is managed by dedicated parent volunteers who generously contribute their time, juggling work and family commitments to run the shop. We kindly request your assistance by completing these tags overleaf before bringing in your items.
- If you're donating all your items, just one tick will do, and we'll take care of the rest
- For NNS Sales, please provide a tag for each piece of clothing. Our NNS volunteers will price the items upon receipt.
- We very much welcome donations of washed and ironed school uniform in good condition.
- All uniform items can be left at BMS Estates Office (please label bags BMSPA Nearly New) or brought along to the shop during our opening times.
- In order for us to be able to contact you regarding your sales, please provide us your contact details. Not applicable for donations.
