EASTER 2024

Holiday Activity Courses

Open to all children aged 5-14

bedmod.co.uk
01234 332500

Thank You

Thank you for your interest in our Holiday Activity Courses. Whether your children want to join us for the first time or have been coming to our courses for many years, we are sure that they will have a fantastic time. The aim of Bedford Modern School Holiday Activity Courses is to ensure that all who attend thoroughly enjoy themselves, make new friends and even learn some new skills!

Our courses operate within a safe, structured and friendly environment under the direction of Eugenie Chaillou-Kindred.

Our online booking service allows you to book the Holiday Activity Courses, Early Birds and Late Flyers directly through the BMS website; it also enables you to check course availability and confirms your booking straightaway. Bookings through the post are still welcome.

We look forward to welcoming you to Bedford Modern School Holiday Activity Courses and hope you have a wonderful time.

David Payne, Head

RAAC

Reinforced autoclaved aerated concrete (RAAC) is a lightweight concrete, which was commonly used in the construction of schools, colleges and hospitals between the 1950s and mid-1990s. On Thursday 31 August 2023, the government directed schools with RAAC present to close all affected areas. At BMS this included parts of the Junior School and the Sports Complex but mainly buildings in the Senior School.

Sections of the roofs on both the Junior School and Sports Complex are currently being replaced, whilst construction work is soon to begin in areas of the main Senior School building. Our Junior School has been relocated to an alternative school site in Biddenham until the end of the academic year. Although this means that our usual course offering is slightly reduced, our staff have worked hard to develop a programme which is still exciting, fun and appropriate for children of all ages. Those courses which require ample space will take place at our Biddenham site and transport will be arranged to and from BMS. Therefore, drop off and pick up will remain at our Manton Lane site using the car park next to the Rutherford Building.

We thank you for your continued support and patience during this period.

Meet the Team

Our staff

The Holiday Activity Course leaders are made up of teachers, both from BMS and other local schools, experts in particular activities, along with both university and Sixth Form students who have been carefully selected to offer a mature, professional and enthusiastic outlook in everything they undertake. We pride ourselves on only employing people of the very highest calibre, all of whom are well-known to us and have passed a full Disclosure and Barring Service check.

**Eugenie
Chaillou-Kindred**
Course Director

This is Eugenie's first year in the role after a thoroughly enjoyable time shadowing the former Director last summer. Her teaching background will enable her to continue to develop the provision of the fantastic range of courses. She is very much looking forward to seeing regular attendees as well as welcoming new joiners.

Sylvia Styles
Assistant Director (Business)

Sylvia has worked at the School for 20 years and splits her time between the Holiday Activity Courses and working in the Estates Office. She is the first point of contact for all course bookings and checking on any queries you may have.

Paula Edwards
Assistant Director (Operations)

Paula has been a full time Art teacher at BMS for 22 years and is currently the Senior Head of House, with an excellent knowledge of the school and how the facilities can be best utilised to offer a range of engaging and entertaining activities. Paula is new to the role and is excited to work with Eugenie, to put together a fantastic programme for our visitors.

Course Information

Easter Course dates and times

Week 1 Tuesday 02 April – Friday 05 April

Week 2 Monday 08 April – Friday 12 April

(Monday 01 April is Easter Monday)

Booking opens on ***Friday 12 January**.

*Please note bookings will not be accepted before this date.

Week 1 Easter courses run for four half-days and Week 2 for five half-days. Children attending all day **must** book two courses and be provided with a packed lunch from home.

AM courses run from 9.30am to 12.30pm.

PM courses run from 1.30pm to 4.30pm.

Children can attend AM and PM courses or AM/PM courses only. Unless your children have been booked into the Early Birds and Late Flyers they should not be dropped off earlier than 15 minutes prior to the start of each course and must be collected promptly at the end of each course.

Lunchtime and refreshments

Lunchtime supervision between 12.30pm and 1.30pm is only provided for children attending both the AM and PM sessions. Children attending both AM and PM sessions must bring a packed lunch.

During morning and afternoon break times we run a traditional tuck shop selling sweets, crisps, water and juice drinks. Children may bring a small amount of pocket money to spend but we do ask for parental discretion over the amount provided. If you do not wish your child to visit the Tuck Shop please ensure they have a drink and/or snack from home for break times.

Snacks and lunches must not include any products that contain nuts.

Early Birds and Late Flyers

Children attending the Holiday Activity Courses can join the Early Birds structured activity course(s) which operate from 8.00am and/or Late Flyers structured activity course(s) which run after the courses finish up until 6.00pm. The charge for each course is £2.75 per day, or £5.50 for both courses. All children arriving before 9.15am and staying beyond 4.40pm must be booked into this facility.

In case of emergency, between the hours of 8.00am and 9.00am and again between 4.30pm and 6.00pm you may contact the Early or Late Club on **07584 644133**. Outside of these hours the usual contact numbers for the school and the Holiday Activity Course Office should be used. **Children attending the Late Flyers must be collected by 6.00pm at the very latest.**

Course fees for 2024

Easter Week 1 - courses consist of four half-days sessions and cost £76, or £152 for four full days (eg. £76 per week for just mornings or just afternoons only and £152 for four full days).

Easter Week 2 - courses consist of five half-days sessions and cost £95, or £190 for five full days (eg. £95 per week for just mornings or just afternoons only and £190 for five full days).

Age ranges

Children attending must have had their 5th birthday on, or before the first day of attendance on the courses.

The age range for each course is an indication of suitability; please use the age your child will be at the beginning of each course, not his/her age at the time of registration.

Health and Safety and Behaviour

At the time of booking, it is the responsibility of the parent/guardian to supply us with full information relating to the child's physical and mental health, including an Educational Health Care Plan if the child has one (or are going through the process for this) or any individual support they may currently receive in school. In order to maintain appropriate standards of health and safety, if your child has additional needs you will need to discuss these with us in advance of booking to ensure our staff can fully support your child.

Whilst we do our best to adapt all of our activities as far as possible, some children with certain medical, physical or behavioural conditions may not be able to participate fully in some activities.

We have a duty of care to ensure that we can keep children safe at all times so children must

have a suitable level of understanding to ensure they can follow instructions from staff to keep themselves and others safe and communicate if they are unwell/injured/concerned.

We want all children to have a positive and enjoyable experience on our courses and we expect children attending to come with a similar positive attitude and to treat others, both children and staff, with kindness and respect at all times.

Disruptive behaviour or inappropriate words and actions will not be tolerated. In the first instance a member of staff will speak to the child about their behaviour, if such behaviour continues the Course Director will be asked to intervene and may then speak to the child's parent/guardian if it is felt necessary. If unacceptable behaviour continues, we may insist the child is removed from our activities. Please speak to your child/ren before attendance about expected behaviour.

Similarly, if your child is unhappy about anything that has happened during their attendance please speak to a member of staff.

Bookings and payments

Registering online

You can book all courses and sessions online by visiting bedmod.co.uk. To guarantee places (subject to availability) we advise that you book online.

New users - If you are using the system for the first time you will need to create an account for your child in their name; if you have more than one child you will need to create an account for each child. You will be able to merge your accounts for future ease by clicking on **My Merged Accounts > Merge another Student Account**.

Existing users (since January 2016) - Please ensure you update the information entered for each child including age, school, medical and contact information by clicking on **My Wise Account > Your Details > Registration Data**. If you have forgotten your password you can request a new one through the system.

The booking system will allow you to check your booking details at your convenience, as well as add Early Bird and Late Flyer sessions at any time up to the day before attendance. Payment will be taken by credit/debit card at the time of booking online. If you would like to pay by childcare vouchers or the tax-free

childcare system, please complete the booking as normal and select 'Pay by Voucher' at the checkout. **Childcare voucher bookings will be held for 7 days whilst awaiting payment; any places for which payment in full is not received within that time will be cancelled.** To avoid disappointment we suggest parents contact their voucher providers to organise payment at the very earliest opportunity.

Registering by post

Please fill in a separate booking form for each child, forms are available to download from the website or by calling the Holiday Activity Course Office.

Completed booking forms along with a cheque for the course fees should be returned to:

**The Holiday Activity Course Office,
Bedford Modern School, Manton Lane,
Bedford, MK41 7NT.**

If you would like your child/children to join the Early Birds and/or Late Flyers, please complete that section on the form and include the cost in your course fee cheque.

Childcare vouchers

We are registered with a variety of childcare voucher providers as well as HM Government tax-free childcare system – a full list can be found on our website or by contacting the office. Should your provider not be listed we are happy to add further companies on request.

For further information on the use of childcare vouchers please contact the Holiday Activity Course Office. Childcare voucher bookings will be held for 7 days whilst awaiting payment; any places for which payment in full is not received within that time will be cancelled.

Refund policy

All Holiday Activity Course bookings are subject to a seven-day cooling-off period during which you may change your mind. After this period refunds will not be given for cancellations.

No refunds are given for absence.

Course content

We will endeavour to bring your child the activity course as detailed in the description, however, very occasionally due to weather conditions or resource availability it may be necessary to change the content; please be assured that all activities will continue to be carried out to the same high standard.

If we are no longer able to offer a particular course we will attempt to offer an alternate activity, if this is not possible refunds will be offered.

Please see page 16 for further information on courses including protection of personal data and GDPR legislation, photography and use of mobile phones and electronic devices.

Course Descriptions

Art and Craft (Juniors)

Age
5-8

Allied with the expertise of our resident art specialists you will be given the opportunity to express your imagination whilst trying your hand with a range of materials and processes. This extremely popular and constantly evolving course will enable you to undertake a variety of different tasks appropriate to your age. Previous projects have included foam printing, puppet making, clay monsters, door hangers, life-size super heroes and fabric bag designs. Completed projects will be taken home. Please remember to bring an old shirt or apron as this promises to be a very hands-on course.

Kit List: Apron / old shirt

Art and Craft

Age
8-14

A lively imagination is needed for this course as you will develop your construction, modelling, drawing and painting skills. Several different activities will take place simultaneously in our large and well-equipped art department. Etching, screen printing, paper weaving, dream catchers and soap carvings are some of the projects which have been undertaken in the past. New projects are undertaken on each course.

Kit List: Apron / old shirt

Baking (Juniors)

Age
6-10

This is an extremely popular course with both boys and girls. During the week you will be guided to create all sorts of goodies, from pastries to cakes and cookies. You will be using mixers and ovens, learning to weigh, fold, sift, mix and glaze. Your baking course will cover a different topic every day so that you will get to cover a range of techniques. The days will include pastry day, vegan/free-from day, biscuit and scone day, bread day and chocolate day! You will work as part of a small team to create these delicious bakes before taking home a portion to share and sample with your family. You'll even get a recipe booklet at the end of the week to take home and practice with. Please remember to bring an apron and two cake tins. NB: If there are any specific dietary requirements these should be advised in advance to the HAC office and we will try to accommodate them.

Kit List: Apron / old shirt and two large plastic boxes or cake tins to take your bakes home in

Baking

Age
8-14

This course will challenge your baking skills as you follow more advanced recipes and learn more advanced skills to create a range of goodies, from pastries to cakes and cookies. You will be using mixers, hobs and ovens, learning to weigh, fold sift, mix, glaze and pipe. Your baking course will cover a different topic every day so that you will get to cover a range of techniques. The days will include pastry day, vegan/free-from day, biscuit and scone day, bread day and chocolate day! You will work as part of a small team to create these delicious bakes before taking home a portion to share and sample with your family. You'll even get a recipe booklet at the end of the week to take home and practice with. Please remember to bring an apron and two cake tins. NB: If there any specific dietary requirements these should be advised in advance to the HAC office and we will try to accommodate them.

Kit List: Apron / old shirt and two large plastic boxes or cake tins to take your bakes home in

Board Games

Age
7-14

Chess, Scrabble, Connect 4 and the ever popular Monopoly are some of the games you will enjoy on this course. Whatever your previous experience you will be able to develop and improve your standard of play.

Kit List: None

Ceramics

Age
10-14

This course allows you to explore your creativity while having fun and learning the craft of ceramics. Clay is a wonderful, tactile medium that offers the chance to work three dimensionally and build new structures, shapes and forms. You will develop your skills by producing a range of outcomes using the thumb, coil and slab methods. All participants finish the week by designing and making their own work using one of the techniques learnt during that week. These pieces will be glazed and fired at the end of the course so that you have your very own ceramic masterpiece to take home.

Kit List: Apron / old shirt

Coding (Juniors) New for 2024

Age
5-8

This exciting brand-new course will enable you to be introduced to the fascinating concept of coding through the media of micro bits. You will first follow a general introduction to coding with small tasks to learn basic functions such as code translation, loops, prints, variables before moving on to a project which you will complete in a group. No previous knowledge of coding is required as this is a beginner course.

Kit List: None

DT Club

Age
9-14

Our technology centre offers the very best facilities for you to design and manufacture your own projects. You will be given the opportunities to use many different machines, tools, skills and techniques and you can take your completed masterpiece home at the end of the course. Previous projects have included LED light boxes, customised bug hotels and portable speakers. As always, none of the previously undertaken projects will be repeated.

Kit List: None

Fashion and Design

Age
9-14

Using exciting fashion templates and innovative materials and swatches, you will follow the design process by creating your own mood board and stylised fashion illustrations to inspire your own deconstruct/reconstruct fashion garment. There will be a fun task recycling for a 'Red Carpet' outfit challenge in a group fashion show exhibiting your final creative outcome. You will also have the opportunity to develop exciting surface designs and sewing techniques. The end result can be taken home or given as presents and the skills you learn will help you to enjoy textiles a whole lot more in your own time.

Kit List: Cotton t-shirt and recycling materials for the garment challenge/ White t-shirt or vest to tie-dye. Denim with pocket for Sashiko (optional)

Fencing

Age
8-14

Ever wondered what it's like to be a musketeer? A wonderful opportunity to sample this rather unique and fast-paced Olympic sport. You will be given instructions in all aspects of fencing by our experienced and fully-qualified instructor, enabling you to practise your new-found skills in a variety of competitive situations.

Kit List: Tracksuit trousers, trainers and water bottle – no leggings, please

Football (Juniors)

Age
5-9

This course gives you the opportunity to emulate your favourite footballers. Our experienced and enthusiastic staff will go through the basic techniques in what remains the world's most popular sport. There will be lots of fun competitions and matches throughout the week, where you will play alongside those of a similar age and ability.

Kit List: Football boots, shin guards (essential), warm / waterproof clothing, this course will run outdoors weather permitting, however, in case of adverse conditions, please also bring trainers

Football

Age
9-14

Consolidation of the basic skills such as trapping, shooting, passing and heading will form the initial part of this course, before more complex techniques are covered. An on-going tournament and numerous competitions will ensure you have a challenging and fun time.

Kit List: Football boots, shin guards (essential), warm / waterproof clothing, this course will run outdoors weather permitting, however, in case of adverse conditions, please also bring trainers

Fun Science (Juniors) New for 2024

Age
6-10

This is the kind of science you will love. You will undertake a variety of activities during the week designed to capture your imagination and further your interest in science. These include experimental and investigative work, problem solving, teamwork, games and competitions. Above all, the emphasis will be the 'hands-on' enjoyment of science in a safe and controlled environment without the need to follow a school syllabus.

Kit List: None

Hockey

Age
8-14

A popular course for both boys and girls that takes place on our outdoor all-weather pitch. Regardless of experience or ability the basic skills of passing, dribbling, tackling and shooting will be covered. Small-sided games and competitions based on age and ability will be a fundamental part of the week. Sticks are provided.

Kit List: Trainers, warm / waterproof clothing; shin guards and a gum shield are essential

LEGO Lab

Age
9-14

Do you love LEGO and problem solving? If so this course will give you the opportunity to work in small teams to build and program a LEGO robot to solve a variety of missions. You will use a large range of LEGO bricks to make your robots and additional attachments before using LEGO Mindstorms to code your own programme. The team who can solve the most missions by the end of the week will be classed as LEGO Champs!

Kit List: None

Martial Arts (Juniors)

Age
5-8

Partnering with the Martial Method we are delighted to bring you this well-established and very popular course, for those of you interested in growing in confidence and learning the basics required for any martial arts class. This is a non-contact course which is not style specific to any given martial art, where you will learn through play and benefit from improved balance, co-ordination, fitness and discipline. With a variety of games, competitions and structured fun you will learn set forms (sequences of movements), set pad and movement drills and will grow through greater awareness and life skill training (such as stranger danger). Who knows – you may be the next Kung-Fu Panda!

Kit List: Comfortable clothing recommended

Martial Arts New for 2024

Age
9-12

We are excited to offer this course to an older age group who would like to discover the world of martial Arts. Taught by a fully qualified instructor, you will be introduced to basics required for martial arts and develop your skills through series of movement drills and games. A fantastic opportunity for those keen to learn new life skills whilst enhancing their fitness level.

Kit List: Comfortable clothing recommended

Multi-Activity

Age
5-8

This is an extremely popular course which promises to send you home happy! We adapt the range of activities to your age and ability to enable you to get the most out of them. You will be placed in a small group to ensure that you get lots of individual attention from our enthusiastic team of staff. This all-action course includes a wide variety of exciting pursuits such as our brand-new bouncy activity course, fun and games in the swimming pool and the chance to try the unusual and fun-filled Kin ball.

Kit List: Warm / waterproof clothing, indoor / outdoor footwear. Swimming kit will be required but not on the first day; a weekly timetable is available to view when dropping the children off

Multi-Sports

Age
8-14

You will enjoy a wide variety of sports on this course, which is designed for older boys and girls who wish to experience a little of everything. Your agility, balance and hand-eye co-ordination will be developed and improved through a variety of sports. After all this exertion you will put our first-class swimming pool to good use with a refreshing dip.

Kit List: Trainers, warm / waterproof clothing, swimming kit (not required on first day)

Netball

Age
8-14

A course for girls and boys which aims to develop and nurture the essential skills of netball, regardless of previous experience. Your shooting, dodging, passing and defending will be improved in an enjoyable and safe environment. Throughout the course there will be shooting challenges as well as a number of different tournaments and competitions.

Kit List: Trainers, warm / waterproof clothing

Potter's Magical Props Emporium

Age
9-14

Taking inspiration from the Harry Potter universe you will be designing and crafting props including dazzling wands, golden snitches and floating candles. You may design a wand for yourself or a character of your choice, so come with plenty of spellbinding ideas. A knowledge of Harry's wizarding world is not essential, but it may help to conjure up some magical inspiration. You will master how to create props using some exciting professional techniques and styles and be able to take your mystical items home as a memento.

Kit List: None

Photography

Age
10-14

This popular course offers you a great chance to develop your skills in both digital and black and white photography. All participants will get a chance to make a range of images and have a go at printing their own pictures using traditional and modern techniques. No previous experience is needed and all equipment and materials are provided.

Kit List: None

Racket Sports

Age
8-14

We are delighted to be partnering with Bedford's premier providers Woolfy Sport. This course offers an exciting mixture of racket sports. The sessions will be focused on learning new skills whilst making new friends; teaching you the basic rules and how to improve your technique and footwork to advance you in the game. You will learn the basics of these racket sports through a series of fun activities based on the fundamental fitness components. So, come and join us and learn something new!

Kit List: Trainers, warm / waterproof clothing, rackets are provided (you may bring your own if you wish, but please mark this clearly with your name)

Rowing

Age
11-14

This course takes place at our excellent fully equipped boathouse. Whether you are a complete novice or have rowing experience this course will be tailored to suit your ability. You will be given the opportunity to try single sculling and crew sculling using the School's state-of-the-art equipment. N.B. There will be a swim test and a capsized test in our swimming pool to ascertain confidence in the water. Participants must be competent swimmers.

Kit List: Trainers, swimming kit (for swim test on first day) and a change of clothing just in case!

Survival Adventure Skills (SAS)

Age
10-14

This action-packed course has developed something of a cult status, renowned for its all-thrills adventures and excitement. As the week progresses there will be the opportunity to partake in some survival cooking, basic first aid, team building, orienteering and invasion games, as well as observation techniques, camouflaging and shelter building. It promises to be a very hands-on course which will run outdoors.

Kit List: Camouflaged combat clothing is provided if you wish to wear it, but please wear suitable clothing which may get dirty; sturdy shoes or boots are required along with an alternative pair of trainers / shoes and spare socks

Tennis

Age
10-14

Partnering with Woolfy Sport we bring you this course for older children. This course aims to provide fun, inclusive, diverse and educational sessions through an array of activities; enabling all children to learn the basics, or develop their skills through a series of fun activities based on the fundamental areas of balance, co-ordination, agility, movement and racket/ball skills. We look forward to seeing you on court soon.

Kit List: Trainers, warm / waterproof clothing, rackets are provided (you may bring your own if you wish, but please mark this clearly with your name)

West End Musical Workshop

Age
9-14

Love to sing, dance and act? Want to become a triple threat performer? Then come along to our fantastic musical theatre course where you'll have the chance to explore all three disciplines and perform in an end of week showcase! During the week you will learn various styles of songs from West End musicals, with the opportunity for group or solo singing. Each song will be choreographed with energetic and fun dance moves, and we'll even throw in some acting scenes too. Whether you perform as a soloist or part of a group, this course is guaranteed to satisfy the keenest musical theatre fan but also introduce any newcomer to the magical world of theatre. This course will be led by a West End performer with such professional credits as Grease, Footloose, the Wedding Singer and Mamma Mia!

Kit List: None

Please note this course runs all day so children must be available to attend both morning and afternoon sessions all week

Urban Art

Age
9-14

This exciting course takes you through the drawing and stencilling techniques popular with the elusive graffiti artist, Banksy and inspiration from the graffiti of Brighton. We will be learning basic Photoshop skills to create a digital manipulated graffiti tag and stencils to use on your own spray paint work. This is a great opportunity to get involved in an amazing strand of the art world and by the end of the week you will have experienced spray painting, stencilling and designed a personalised Tag.

Kit List: Apron / old shirt

Enquiries

Please telephone the Holiday Activity Course Office on (01234) 332667. If voicemail is on a member of the Holiday Course Team will respond to your call as soon as they return to the office.

Photography

During our courses we take photographs of the activities which we then use for publicity purposes including the brochure, posters and on our website. If you would rather we did not feature your child, please indicate this when booking either online or by booking form so that we can ensure they are not included. If you do not indicate either way we will assume you are happy for them to be featured so do please check your booking details.

Use of mobile phones and electronic devices

We strongly recommend children do not bring mobile phones or electronic devices, i.e. tablets or hand-held games to the holiday activity courses. We will be observing a 'no phone policy' to encourage everyone to make the most of the courses and to take the opportunity to engage with other children throughout the day. There will be plenty of activities on offer during break times to keep everyone entertained and give the opportunity to make new friends. Please ensure that your child is aware that using their mobile phone to take or share photographs of the courses, staff and other children attending is not allowed.

If any of these devices are brought along to the courses, Bedford Modern School accepts no responsibility for loss, damage or theft.

Protection of Personal Data and General Data Protection Regulation (GDPR)

As part of the booking process for the Holiday Activity Courses you will be asked to provide personal data. The information collected during the process is as follows:

- **Your Child's** - full name, date of birth, medical information, current school and any other information you choose to provide
- **Your** - full name, home address, email address and emergency contact names and numbers

Some of these details are later stored on a separate computerised database for generation of course registration lists, medical requirement lists and for correspondence and marketing purposes; marketing refers to advising of future courses only. Information stored by Bedford Modern School will be held for up to three years from the last course attendance to allow you to make further bookings and receive new brochure notifications.

When booking online you will be requested to provide consent also to Wisepay, on behalf of Bedford Modern School External Service.

Further details on how we are committed to protecting and respecting your privacy can be viewed in the School's Privacy Policy, available to view at bedmod.co.uk or by contacting the Holiday Activity Course Office to request a copy.

Summer 2024

Our summer courses will run from Monday 22 July to Friday 23 August and further details will be available in Spring 2024.
